Sinan Abood
Katie Hietala

B. Keweenaw Land Trust Posters: Discussions continued regarding our upcoming efforts to produce educational posters for the KLT’s Lightfoot Bay Wetlands Preserve. Pat was nice enough to come and share her input about our posters. We also are planning on where and what layout to do with our posters. We got some good news in that KLT would like us to use our money in our budget for another project, even though they are waiting to receive their grants from the Michigan DNR office in Lansing.

C. Upcoming Field Trips:

Lightfoot Bay (Baraga County)
Lightfoot Bay is where we are working with the Keweenaw Land Trust on possibly building a Kiosk this winter and then hanging our posters on it. The tentative date is sometime after Thanksgiving.

NEXT MEETING WILL BE THURSDAY DECEMBER 3, 2009 AT 2:00 PM.
